EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

a. Claim 13 has been amended as follows:

A handpiece for a rotary tool including a flexible power transmission shaft configured for connection at one end to the rotary tool, and at the other end to said handpiece, comprising:

a housing having a first end for receiving the power transmission shaft, and a second end configured for accommodating a working attachment, said housing defining a central throughbore for rotatably receiving at least a portion of the flexible shaft wherein the flexible shaft has a collet nut affixed to a free end, an attachment formation at said second end configured for receiving an endcap;
said attachment formation is configured to circumscribe at least a portion of said collet nut;

an endcap configured for engagement upon said attachment formation;

and at least one locking formation affixed to the shaft within said throughbore, at least one locking actuator disposed in said housing for releasable engagement with said at least one locking formation, and said at least one actuator being provided with a biasing force for biasing said at least one actuator out of engagement with said locking formation, said

at least one locking actuator being configured so that a user-applied force on said at least one actuator overcomes said biasing force to enable locking engagement between said at least one actuator and said at least one locking formation.

- b. Claim 17 has been canceled.
 - c. The dependency of claim 16 has been replaced from claim 15 to claim 13, since claim 15 has been canceled.
 - d. The dependency of claim 18 has been replaced from claim 17 to claim 13, since claim 17 has been canceled.
- 3. The amendment is necessary to remedy minor informalities.
 - 4. Authorization for this examiner's amendment was given in a telephone interview with Roger D. Greer on June 23, 2004.
